

TexWrite® Stationery

TexWrite® products offer a complete system for stationery use in any cleanroom manufacturing environment. From 100% synthetic and latex saturated cellulose documentation sheets to permanent bound scientific notebooks to self-adhesive note pads, there is a TexWrite® product that meets your critical needs.

Documentation Sheets

■ TexWrite® MP 10

100% Synthetic cleanroom documentation sheets

- Highly engineered material designed for use in ultraclean environments where cellulose products cannot be used
- Extremely low particle counts
- Outstanding toner bonding and ink sorption
- Autoclavable
- Static dissipative performance at 40-60% rh for low ESD potential
- Excellent, robust choice for printed work instructions, instruction and equipment manuals
- Recyclable as a #7 plastic (other)
- Pastel blue on one side to identify as cleanroom compatible product

TX5800 White/blue 8-1/2" x 11" 100 sheets per pack
(216 mm x 279 mm) 5 packs per box

Documentation Sheets

■ TexWrite® 30 / TexWrite® 22 / TexWrite® 18 Synthetic latex-saturated cellulose paper

- Latex-saturation vs. latex coating produces a cleaner and more consistent cleanroom paper
- Available in three different weights (30#, 22#, 18#)
- Excellent heat resistance
- 100% virgin pulp without organic fillers
- Titanium dioxide and calcium carbonate free
- Precision cut for jam-free performance; ideal for use in any type of printer and photocopier
- Cleanroom packaged using Bag-Within-A-Bag® technology
- A4 sizes available in Europe and Asia

Notebooks and Notepads

■ TexWrite® 30 Notebooks / TexWrite® 22 Notebooks

Permanent-bound and spiral-bound notebooks provide a variety of ways to document and store notes and records on latex-saturated cleanroom paper

- Permanent-bound notebooks provide legal foundation with sewn binding, page numbering, indexing, dual signature and date lines. Sewn into a Mylar® sealed cover which prevents page removal without obvious damage
- Spiral-bound notebooks are an economic choice for note taking and data recording. College ruled. Available in TexWrite® 30 and TexWrite® 22
- Cleanroom-packaged using Bag-Within-A-Bag® technology
- Same excellent contamination control properties as TexWrite® documentation sheets

TexWrite® Stationery Sampler

We developed the sampler to assist you in selecting the right stationery product for your needs. Removable sheets of all TexWrite® Documentation Sheets are included in the sampler along with individually swatched DataSheets. The samples allow you to examine attributes such as color, opacity, thickness and weight.

DataSheets for TexWrite® Notebooks, TexNotes®, Clipboard and 3-Ring Binder are also included. This ring-bound reference tool is a convenient way to look at the entire TexWrite® stationery line.
